- Daily variety of art activities, movement, experiments, gardening, and games

Our PROGRAM

Week 1 – The World

June 23-27

Kicking off our first week of camp, students discover our beautiful planet through lessons on flora and fauna. *Including a visit from Science Heroes.*

Week 2 – North America

June 30-July 3

Uncover the natural wonders of our rich continent, from the maple trees of Canada down to the ancient ruins of Mexico. Using fresh herbs, we will make homemade tortillas, salsa, and guacamole. *Including a visit from Quiver Farms.*

Week 3 – South America

July 7-11

Exploring the diverse rhythms of latin music, campers will learn how to play the clave, chekere, and güiro. As a treat, we will savor chilled rice pudding, or arroz con leche. *Including a visit from Claymobile.*

Week 4 – Europe

July 14-18

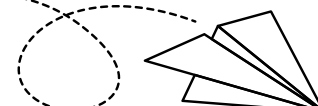

The art of Henri Matisse inspires the creation of colorful collages. With found materials, campers will make mosaics inspired by the ancient Romans. *Including a trip to The Barnes Museum.*

Week 5 – Asia

July 21-25

Campers will try their hand at Sumi-e, traditional Japanese ink printing. Journeying inwards, we will learn about meditation and movement practices from India. *Including a visit from Noble Heart Yoga.*

Week 6 – Africa

July 28-August 1

Ghanaian Kente cloth will inspire the creation of colorful fabrics and beads. After learning about the construction and history of djembe drums, campers will make their own percussive instruments. *Including a visit from Mlanjeni Magical Theater.*

Week 7 – Australia

August 4-8

Students will try their hand at pottery and rock painting in the style of the Aborigines people. We will uncover the wonders of the Great Barrier Reef. *Including a visit from Critter Connection.*

Week 8 – Antarctica

August 11-15

Camp will get a whole lot chillier as we explore the vast desert of Antarctica, and learn of the furry friends who never catch a cold. *Including a visit from the Kona Ice Food Truck.*
