ELIGIBILITY REQUIREMENTS:

All campers must be:

- At least 18 months old when they begin camp and walking independently.
- Camp Clementine is open to enrolled and newly enrolled students for the 2025 - 2026 school year.
- Students not returning to Clementine will be offered a wait-list option starting on March 1st.
- No refunds will be given.

REGISTRATION OPTIONS:

- Registration is accepted on a first come, first served basis.
- Registration will be completed via Transparent Classroom for returning families and DocuSign for new families.
- A morning and afternoon snack are included.
- The lunch program will be \$40 per week.

On top of our themed work, each week at Camp Clementine will feature music lessons and water play, allowing our toddler campers to expand their sensorial horizons!

In addition to working in our school, we will also be exploring Philadelphia and all it has to offer! We'll take trips to places like Sister Cities, Matthias Baldwin Park, and many of the green spaces near our campus.

Aside from exciting trips and visitors, our own classroom space will be transformed into a hub for continuing Montessori educational goals, together with a playful, fun summer atmosphere!

We will also be featuring an outdoor classroom area that our campers will have access to every day.

JOIN US FOR A SUMMER OF FUN AT CLEMENTINE MONTESSORI

This summer our Toddler Campers will be exploring the natural world and the wonderful ecosystems and creatures it contains! In the words of Maria Montessori, "When children come into contact with nature, they reveal their strength." This summer we hope to introduce the Toddler Campers to materials and experiences which allow them to explore the natural world and their place within it.

In order to best suit the learning needs of our toddlers, our themes for Camp Clementine will span the course of two weeks

WEEKS 1 & 2: LETS GO TO THE BEACH

Join us as our toddlers learn about land, water, and air through the place where they all come together: the beach! With sensory play featuring sand and water, materials featuring sea creatures, and music about various beach ecosystems, the toddler campers will thoroughly explore one of our favorite summer spots.

WEEKS 3 & 4: BUGS BUGS BUGS

Come along as our toddlers explore the world of nature's smallest and strangest creatures: Bugs! With art projects featuring insects and lessons on their life cycles, the toddler campers will learn all about the many varieties and roles of insects throughout the natural world.

WEEKS 5 & 6: WHAT DOES YOUR GARDEN GROW?

Join us as our toddlers dig into the greatness of the garden! With seed planting and taste tests of all things fruit and vegetable, the toddler campers will learn about the importance of plants in the balance of nature.

WEEKS 7 & 8: WHAT'S WITH THE WEATHER?

Come along as our toddlers examine one of nature's most powerful forces: the weather! From clouds warm summer rain to ice and snow, our toddlers find out all about the incredible world of weather.
